Complimentary trial period	✓		
Emergency and Non-emergency support (Coordinating transportation, scheduling doctor's appointments)	✓	Emergencies Only	Emergencies Only
GPS option available	✓		✓
Fall detection option available	✓	✓	

THERE IS NO COMPARISON...

Residential Nurse Alert is the ONLY ANYTIME - ANYWHERE - ANYTHING mobile care button.

Comparison is based on information provided in July 2014 through telephone interviews and the company websites.

* Residential Nurse Alert 8000, Residential's mobile/cellular unit has a standard monthly price of \$39.50 with no installation fee. Philips Lifeline standard rates require a \$19.95 shipping fee and \$44.95 per month for Lifeline with AutoAlert. Life Alert standard rates require a \$95 shipping/installation fee and \$59.90 per month for their emergency help phone (only to be used for police, health or fire emergencies.)

** For Residential Home Health patients, a medical professional will deliver the unit to the home.
